

Houlton Water Company Line Worker / Meter Reader Opening

The Houlton Water Company (HWC) is seeking an apprentice line worker / meter reader. This is an entry level position. Candidate must be a high school graduate but an associate degree in an electrical or linemen construction program is a plus. The candidate must have good reading and math skills, mechanical aptitude, and the ability to work safely. Required to have a class B State of Maine driver's license or obtain one within one year of being hired. A safe driving record is a must. The job consists of working at high elevations, on high voltage circuits and in adverse weather conditions. Candidate will also read meters when not performing line work. HWC will provide the appropriate lineman training & equipment. The position is normally a day job (7:30 am- 4:30 pm, 5 days a week) but also requires availability during (holidays, nights & weekends). Salary is reflective of experience, education and technical knowledge. Applications forms are available at the HWC, 21 Bangor St. office, Ph# (207) 532-2350. ***Closing date for submittal of application is close of business, Monday, July 03, 2023.*** Submit application in a sealed envelope to: Houlton Water Company, Lineman, P.O Box 726, 21 Bangor Street, Houlton, Maine 04730. Attn: Greg Sherman.

HWC is an equal opportunity /affirmative action employer.
