

# Customer Water Service Line Inventory

---

This digital survey is a contact-free way to help the Houlton Water Company obtain customer service line information that is:

1. Required by the EPA
2. Must be completed by either:

⊗ **Property Owner (or Representative of Property)**

⊗ **Houlton Water Utility Staff**

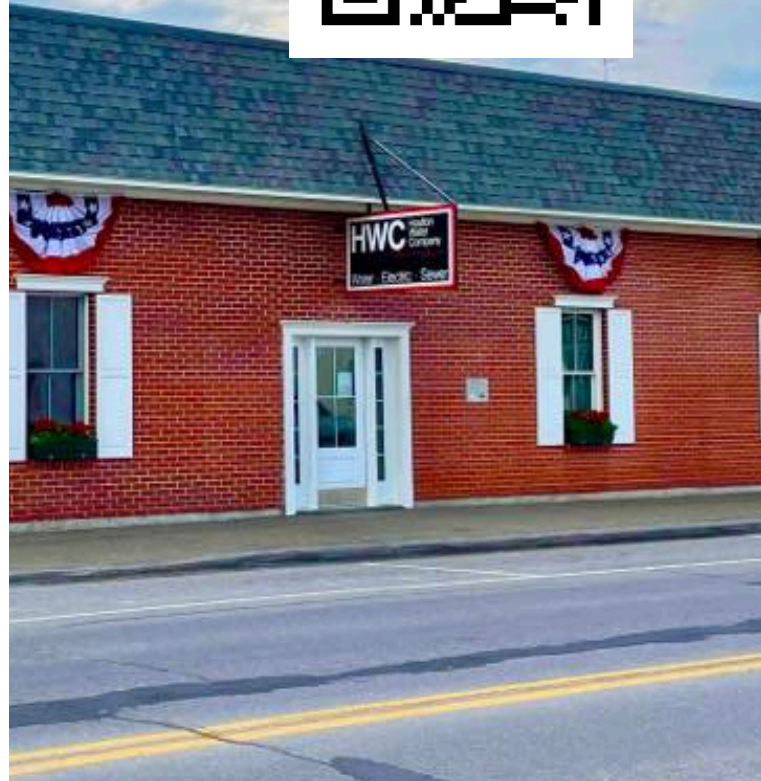

Alternatively, The Houlton Water Company can schedule a time for an employee representative to come into your home or business to collect the required information.
